

SURVEY WORKSHEET (or Paper Copy): FOR ARTISTS & CREATIVE PROFESSIONALS

YOUR PARTICIPATION IN THE FOLLOWING SURVEY IS ESSENTIAL TO OUR APPLYING FOR DISASTER RELIEF FUNDING. Please estimate your losses as best as you can without stress. Your answers will be compiled to help us demonstrate that Ventura County creatives have endured significant losses and may help us secure disaster relief funding. Please share the survey with others- THE MORE WE REACH THE BETTER.

Your answers WILL NOT affect your qualifying for aid. If we get the funding from the California Arts Council, there will be a separate application process. If you have any questions, please contact Tracy Hudak at Tracy@creativityWorksVC.com or 805-340-2106.
