

SURVEY WORKSHEET (or Paper Copy): FOR ARTS & CULTURE ORGANIZATIONS

YOUR PARTICIPATION IN THE FOLLOWING SURVEY IS ESSENTIAL TO OUR APPLYING FOR DISASTER RELIEF FUNDING. Please estimate your losses as best as you can without stress. Your answers will be compiled to help us demonstrate that Ventura County creatives have endured significant losses and may help us secure disaster relief funding. Please share the survey with others- THE MORE WE REACH THE BETTER.

Your answers WILL NOT affect your qualifying for aid. If we get the funding from the California Arts Council, there will be a separate application process. If you have any questions, please contact Tracy Hudak at Tracy@creativityWorksVC.com or 805-340-2106.

DEFINITIONS

- **Artist or Creative Professional** = persons who earn income or have a significant body of work in the creative arts: visual, music, performance, dance, poetry, film, design, craft or arts teaching.
- **Arts Organization** = entities that produce, present or support fine, cultural, folk, performing arts, or arts-based social change activities.
- **If you are an artists and run an organization, fill out a survey for each.**
